

Global Water Solutions Agents Required

Contractor Compliance

Expressions of interest from regional 'water related business' owners

Global Water Solutions, is seeking expressions of interest from established water related businesses, located throughout Queensland, who may wish to become local agents. This would include stocking our products: Domestic water filtration systems, bore water treatment, spear water treatment, desalination plant and consumables, water filtration and related products. If your business is well established in the community and you are looking to grow your product range, then please contact us at Global Water Solutions. We seek local agents in the majority of regional Queensland towns and communities. In the first instance, please reply via email, stating your interest, the industry capability of your existing business, and the physical location, town/regional area. Alternatively, you may like to visit our contacts page and call either one of the cell phone numbers listed. We are committed to establishing good working relationships and supporting regional resellers, with products, product knowledge, advertising material and water testing facilities from our central Gold Coast Location. Ideally, your existing business will already be managed by competent and qualified tradesmen and would be a leading local establishment. If this sounds like your operation, we look forward to hearing from you. Josh Mcewen, Director, Global Water Solutions, Australia. Agencies will receive a sub domain on our website, linking to their existing business.

Regional Area's:

- Darling Downs: including Dalby, Toowoomba, Oakey, Jimbour.

- Western Darling Downs: including Chinchilla, Goondiwindi, Injune, Miles, Millmerran, Mitchell, Roma, St George, Surat, and Tara.

- Central West: including Longreach, Barcaldine, Blackall and Tambo.

- North West: including Mt Isa, Cloncurry, Julia Creek, Gregory River region.

- Cape York and The Gulf: including Cairns, Normanton, Charters Towers, Normanton, Kurumba and the far north.
